

# SINTESI

*L'attenzione e la cura del territorio appartengono alla nostra filosofia.  
Scegliamo vini che siano il risultato di questo approccio per ritrovare nel  
bicchiere la Sintesi del territorio, del vitigno e del produttore.*

*Abbiamo ideato la nostra carta come un'agenda: una Sintesi degli assaggi  
fatti e degli appunti presi e nell'ottica di costanti aggiornamenti,  
studio e crescita.*
